

NNZC 200 Club Report Scoring System

Completing the monthly report form can be a daunting thing for new leaders. The following information in this document will assist you by taking you through a step by step method showing how the scoring system works and how many points you may score under each section.

Please note that the reports are to be sent to your District Director AND the NNZC Pathfinder Director before the 10th of the following month.

How it works!

GENERAL INFORMATION

Please fill out these details completely. We will add your directors email address to our mailing list so that we can pass on relevant information through the year regarding the programs that we will be running. If you do not have an email address please contact the NNZC Pathfinder director with a postal address.

On the “sponsoring churches” line please include all the churches that support your club.

Please also tick the box appropriate for the type of program you are using, e.g. the original “Card system”, the “Specialty Program” or the “Way to Go program”. This will help us to give you the appropriate resources you need to get through the year.

FREQUENCY OF MEETINGS

Tell us how often you hold your club meetings, the day of the week, time and location (i.e. church hall)

CLUB MEMBERSHIP BREAKDOWN

Complete the number of Males and Females of each category. Note that if you are completing the form electronically (on your computer) the tallies will add up automatically.

CLASSES

Insert the number of Pathfinders that are working through a class for the year as well as any members who are working towards the advanced class award. Please note that it is rare that a Pathfinder would complete more than one class per year.

HONOURS

In this section include the honours your club has been working on for the month you are reporting on. If the honour work has carried over from the previous month just carry them over in your report. This information will be sent on to the ABC so that they can ensure they have badges/tokens in stock. NNZC also advises you to order your honours as you complete them during the year rather than keeping your order to the end of the year. This will aid us in ensuring that Pathfinders receive their honours on time and will not create a backlog of orders at investiture time.

Presenting honours throughout the year as Pathfinders complete them also can give the Pathfinder the feeling of achievement and a desire to complete more honours.

LEADERSHIP TRAINING

All good leaders have a desire to improve and upgrade their skills and Pathfinders has its own specific range of training programs. Complete this section with the numbers of staff who are CURRENTLY doing training.

Record books are available from your NNZC Pathfinder Director for \$2.50 each.

DUKE OF EDINBURGH

For your teen Pathfinders and Leaders (aged 14-24) you may wish to complete the Duke of Edinburgh Bronze, Silver or Gold awards. These are a prestigious award and upon completion of the Gold Award, candidates are presented with their award by the Governor General. For more information on how to go about completing these awards you can go to http://www.dofehillary.org.nz/site/do_the_award/default.aspx

200 CLUB REPORTING SECTIONS

The last 3 sections of your monthly report go towards your 200 club award. These should be completed each month. Please note that an event (e.g. club campout, Pathfinder day etc.) can be scored in the Bi-monthly **or** the Annual section, not **both**.

To help you with how to complete these sections competently make sure you read through the following explanations thoroughly.

Your 200 club scores are calculated as follows:

- Monthly section – Worked on the **average** of the **best 9 months** in your pathfinder year.

Plus

- Bi monthly section – You can have a maximum of 5 events per year for this section. The section is broken into two categories; Special event (such as extra campouts, special programs or activities like an observatory visit etc.)

Plus

- Annual section – These events can only be scored once per year.

These totals will be calculated and your club will be eligible for one of the following:

- 200 – 230 pts = 200 club award
- 185 – 199 pts = A Grade pennant
- 170 – 184 pts = B Grade pennant
- 155 – 169 pts = C Grade pennant
- 0 – 154 pts = Participation pennant

MONTHLY SECTION

Number of regularly scheduled Club Meetings:

This is based on the number of scheduled meetings you have each month. The maximum you can score is 10 points and the minimum is 5.

Two per month = 10 points

One per month = 5 points

Note: You can only score 5 or 10 points here.

Average % Attendance:

Calculate the average percentage of Pathfinders and Staff who attended the meetings for this month. Points are awarded as follows:

91-100% = 10 points

81-90% = 9 points

71-80% = 8 points

61-70% = 7 points

51-60% = 6 points
10-50% = 5 points

Note: You cannot score lower than 5 points.

Average in specified Uniform:

This applies to both dress uniform club nights AND your specified Field Uniform.

Note: Use the same system as above (Average Attendance) to score your points here.

Spiritual Focus:

This refers to the number of devotional times you have per month. If you have more than 2 meetings per month and you have a devotional at each meeting the maximum you can score is still only 10 points.

Two devotionals per month = 10 points
One devotional per month = 5 points

Note: Remember you can only score 5 or 10 points here.

Staff Meetings:

Active clubs will have regular staff meetings. These can be conducted monthly, bi monthly or quarterly, whatever you see the need. Staff meetings do not need to be long but should cover specific relevant points.

Note: You cannot score this section if:

- *You don't have a staff meeting each month.*
- *You don't have 50% attending this meeting.*

In order to get maximum points here your report must be received by your District Director and NNZC Pathfinder Director by the 10th of the following month of the report. E.g. the report for May must be into your District Director by June 10. If you miss the 10th deadline you will score 5 points

In by the 10th of following month = 10 Points.
After the 10th = 5 Points

If your club is achieving its set target goals as set out in your yearly programme for teaching your chosen pathfinder curriculum then you the maximum 10 points here. If you miss your target then you score a minimum of 8 points.

These events are held each year and do have a limited number of applicants due to Health and Safety requirements. You can only score these points if:

Pathfinder Day: 10 points

This date is set by the Division each year. Generally this day is a full church service and Pathfinders should take an active lead in the events of the day. If the allocated day does not suit your local church calendar your church board can choose another day that is convenient. This day should be separate from your investiture day.
