2020 Church H&S Performance Review 001

Church H&S Performance Review

Element	Υ	N	N/A	Comment
Signage				
Are all facility exits clearly marked, visible				
& accurate?				
Evacuation plan & associated signage in				
place & accurate?				
Are site speed restriction signage in place				
and proving effective?				
Are disabled facilities provided and easily				
identified?				
Facility Evacuation				
All Church attendees regularly made				
aware of basic H&S matters?				
Has a trial evacuation been carried out				
within the past 12 months?				
Does your Church have appointed &				
trained emergency wardens?				
Are provisions in place to assist disabled				
persons in an evacuation?				
First Aid				
Are First Aid Kits present, fully stocked				
and clearly identified?				
Trained First Aiders available and known				
to members / attendees				
Does your Church have in place measures				
in line with Conference and Government				
Health guidelines to deal with a				
pandemic?				
Fire Equipment	1			
Fire Hose reels & fire extinguishers under				
current test and tagged				
Floors / passageways	1	ı		
No damaged carpets or floor surfaces				
that are a tripping hazard				
All passageways clear of obstructions				
All exit doors operating correctly as				
intended				
Is the baptismal font covered?				
Sanitation	1	ı		
Are wash rooms and toilet facilities clean,				
tidy and sanitized?				
Kitchen and food preparation areas clean,				
tidy and in good order				
Are kitchen appliances appropriate for				
Church needs & well maintained?				

Properly Blectrical Testing All appliances and power supply cables under current test and tagged or protected by RCD devices Training	Rubbish & waste materials disposed of	
All appliances and power supply cables under current test and tagged or protected by RCD devices Training Are trained Fire extinguisher operators available? Are relevant Safe Operation Procedures, (SOP), & Personal Protection Equipment, (PPE), available to Members and used by them when undertaking risk prone Church activities, facility or ground maintenance? Documentation Is H&S Documentation being used and filled out as required? Is your Church H&S documentation readily available for member viewing or use? Are Safe Places requirements in place & being maintained? H&S Meetings & Issues Does your Church have an appointed H&S coordinator? Is H&S an agenda item at Church Board & Business meetings? Does the Board use the NNZC off-site activity H&S sign off form? Has the Church actioned previous H&S Audit recommendations? Does the Church facility have a current Building WOF? Is there security for member night attendance & working alone? Is the Church satisfied with its H&S performance? Does the Church require assistance with
